Dear Mr. Ferguson,

I am writing to let you know that we will be hosting two Lawn Be Gone Hands On Workshops in San Pedro this month and next. The collaborative group hosting this event includes LADWP, SELVA International, Surfrider Foundation, and the Neighborhood Council Sustainability Alliance. For more info, please see the attached flyer or visit <http://selvainternational.org/lawnbegone.htm>

These workshops are free, but participants need to register here: <http://selvainternational.org/howdates>

We would much appreciate if you could promote this event widely among your constituents. This is the first time we have hosted these workshops near your area, and we are hoping to reach a large number of residents.

Please let me know if you have any questions,

Thank you,
